Annual meeting

The Annual meeting will immediately follow the regular monthly meeting on Wednesday, May 12. We will be voting to fill board positions which expire this year.

Expiring Positions

Vice President: Roy Burch Roy has accepted a nomination for this position
Secretary: Patti Laird Patti has accepted a nomination for this position
Trustees:
Rob Huch & Jimmy Bronson . . Rob has accepted a nomination for this position

As there is only one accepted nomination to fill the two available trustee positions, further nominations for the trustee position will be accepted at the monthly meeting on May 12th prior to the annual meeting. Nominees must be at the meeting in order to accept the nomination. There is only one by-law change proposal. We will be voting at the annual meeting on how to handle absentee ballots in the future.

Absentee ballots to vote on board positions are available at the club counter.

Sporting Clay Course

Being made up of several stations, the sporting clay course is an opportunity to shoot at many unique targets. We strive to set up a variety of shots in varying difficulty. We always welcome comments, suggestions and new ideas. If the setup at any particular station is a problem, please do not move the machines or cut down trees. As tree removal is an irreversible change, other members would like their input, as a different solution might be preferred.

Seeking Sponsors

We are in need of sponsors to help fund the Great Lakes Championship and make it a success. If you know of a company who may like to sponsor this event, please contact Mike Dykstra.

Member News

Our thoughts are with the family of James Frazier, a life member of Seaway, who passed away on April 15, 2010.

We would like to remind members that there is no hunting allowed on the club property. The board reviewed the 2007 decision to not allow hunting on the property. Because of Safety and Insurance reasons, we need to uphold this decision.
