## Sporting Clay Pricing

Besides increases in the price of supplies, as our machines age, we are experiencing an increase in maintenance costs. To offset the increasing costs, it is necessary to increase the price we charge for sporting clays by \$2. As of December 1<sup>st</sup>, the member price will be \$15 for a round of 50, \$28 for 100. Non members will pay \$17 & \$32.

## Sporting Clay Shoot

Last Chance! Don't miss our final Sporting Clay Shoot of the season taking place on Saturday November 26<sup>th</sup>, Thanksgiving Weekend.

## 2012 Memberships

Membership renewal time is here again. We accept renewals any time. We encourage all members to renew by January 31<sup>st</sup>. After that date, anyone who does not renew will shoot at non-member prices. New 2012 memberships purchased early will include the balance of 2011. Please remember to update your e-mail address when renewing!

## Policy Reminders

Although most of you reading this are familiar with these policies, fall is here, and we have received several inquiries pertaining to hunting season. There is no hunting allowed on club property, and we can not sight in hunting rifles at this facility. Our layout and safety features only allow for shooting shotguns in the designated shooting areas. Thank you for your cooperation.

## Great Lakes Championship

The 2012 Great Lakes Championship dates have been changed to July 28 & 29 because of a schedule conflict with another large shoot.
