Regular Hours:
Wednesdays 10 am – 10 pm
Sat & Sun 10 am – 4 pm

Lead Harvesting

Lead Recovery Systems is currently working on our lead harvesting project at the club. No estimate on our profit is yet available. More discussion on this will take place at the upcoming meetings.

The 5 Stand Is Reopened!

Many, many thanks to Mike Ohrling, who has stepped in and devoted his time to making the necessary machine repairs and reassembling the 5-stand. Although it is not currently equipped with a rabbit, the 5 stand is now **OPEN for shooting!!!**

Hunter Safety Class

A hunter safety class is scheduled for October 9 & 10. There is no charge but you must register in advance. Parents are welcome to sit in. Sign up at the main desk. This is a two day class and attendance is required both days. Friday night from 5:30 – 9:00
Saturday from 8:00 – 4:30

Memberships

On October 1st, we begin renewing memberships for 2010. New memberships purchased after Oct. 1st will include member privileges for the balance of 2009. Remember that life memberships are no longer offered. Renew by January 31st to save \$10 and get your Regular Membership for \$60 or a Senior Membership for \$30.

Board Changes at the Club

Our Vice President, Bob Morris, and our Trustee, Brian Erickson, have both stepped down from their positions on the board. We appreciate their time of service and all that they have done for the club. We wish them well and look forward to seeing them involved in other ways in the future. Roy Burch, by a unanimous vote at the September meeting, will be filling the Vice President position until it the term is up in May of 2010. Rob Huch, having the next highest number of votes for the trustee position at our 2009 annual meeting, will be stepping into the trustee position – also until May of 2010.

Warm Up for Hunting Season

For September we set the Sporting Course with a "softer" kind of target presentations. We encourage those who want to tune-up for bird hunting season to bring out their hunting pals and get ready!

Current Schedule

Sat Sept 18	ATA Shoot 2 Day Event
Sun Sept 19	ATA Shoot 2 Day Event
Fri & Sat Oct 9 & 10	Hunter Safety Class
Wed Oct 14	7:00 Meeting
