“Ammunition and reloading components.... are in short supply. Factory layoffs due to COVID and the unavailability of some raw materials may be driving.... shortages in the archery industry as well. As a result, it appears all imports and imported materials are going to be delayed significantly.

COVID has.... major impacts on supply chains and items that previously took four or five weeks to ship.... are now taking a few months and longer. So, whether it's bullets or broadheads it looks like things may get worse As one Pro shop owner told us,“if you see something you want, buy it while you can.”” (January 11, 2021 [Mike Raykovicz](#) [Outdoor News](#))
