MSCA registered shoot

Saturday

Nov 28

But all are welcome, and the more the merrier! Of course we need volunteers for this event and appreciate all helpers who show up that day.

THANK YOU to long-time member and contributor Jack Cooke who came through for us last year to pay for the new furnace. And this year he once again donated to the powerhouse roof fund. Remember that it takes propane to fill that tank and keep us warm on these chilly days.

And more thank yous to: Mike Grossman, Ken Berglund, Stuart Olson, John Barnhardt, Mike Allen, John Hill, Mike Orhling, Dan Trach, and any and all members who pick up their shells, tote boxes of targets to the houses, fill machines, change batteries, and generally make things work around the campus. Get well wishes continue for Wayne Joseph's recuperation. To those of our membership suffering through chemotherapy, surgery and other such challenges: we miss you and our thoughts of encouragement are with you.
