According to the Muskegon Chronicle of Tuesday, March 24, 2020, Michigan citizens are under a “stay at home” order until further notice. This order is to stop the rise of the COVID-19 virus. Governor Whitmer encouraged us to avoid unnecessary contact with others. This includes a ban against people from different households gathering in public, or even in private. Caregivers are the exception as that is an essential service.

“Don’t play fast and loose with what is essential and what’s not,” said Whitmer. “This is an order, and we take it very seriously.”

Unfortunately some are ignoring the order. Please think about what this does to other people.

Until we are told it is safe to resume Clubhouse services, our Clubhouse will be closed except for short periods for people to recharge their EZPull or Promatic cards. Members with gate keys can enjoy both a Skeet field and a Sporting Clays course at their convenience – a benefit of great use during a time like this.

The Officers and Board and all the volunteers at Seaway wish our members and guests to be safe during this time. Work at the Club will continue behind the scenes until we re-open.
