Check out this opportunity for your kids/grandkids, etc.: <https://sssfonline.org/calling-all-young-guns-for-guinness-world-record-attempt/>. This will be an attempt to break the Current Record of: 4602 sporting clay targets shot in 12 hours by a team of 5 shooters

Anyone interested in this product? <https://shotkam.com/products/shotkam>. If you are a member at Seaway, please let one of the Board members know. Alternatively, please let them know if there are other projects you feel are more important, and be specific as to what you see as a need – and how you can help.

Did you know? That this week alone, our volunteers performed the following: Cut the grass; weeded the garden; picked up spent hulls on the Sporting Clays course; cleaned the clubhouse; ran the cash register; brought in the mail; weed-whacked; BrushHogged the clays course and road; graded the parking lot and road and spread gravel. Some of these jobs, done regularly, take as few as 15 minutes to perform. Others require more time, but if the work is shared by more than just one person, the time commitment is lessened. Please members, consider taking a little of your time to improve your club. Many people have ideas – but actions are what really make the difference!
